Managing your internship position via your Submittable account

1. Within **three business days** of submitting the Request Form, the following will take place:
   - The Internship Posting will be live on the ISTAT Foundation Internship Portal, and students will be able to begin applying for the position
   - You will receive an email from Submittable with the subject: ISTAT Foundation Applications Manager - Team Account
     This confirms that you have been added as a “Reviewer” of your position, enabling you to review the applications received, interact with the applicants, and select your final candidate

2. An email from Submittable to **notify you of every applicant** for your position

3. Log in to your Submittable account to **view your dashboard**
   - Applicants will appear directly on your dashboard
   - You can sort the applicants by area(s) of interest, country, and university
   - Did you post more than one position? All applicants will appear on your dashboard. To determine which position the applicant applied for, view the “Project” column
   - Click on the name of each applicant to review the application
   - Disregard the following buttons: Stage, Assign, Label, Additional Forms, Open Edition, Complete and Other

4. Upon clicking the applicant’s name and entering the application, these are the **options for consideration**:
   - Applicants that do not qualify:
     a) No action required
   - Applicants you are interested in:
     a) Contact them via phone/email
     b) Message applicants via Submittable

Following the next steps after the candidate’s selection and acceptance of internship

1. In the selected candidate’s application, change the status from “In-Progress” to “Accepted” and the stage from “Application in Review” to “Selected Candidate”

2. After you select “Accepted,” you will be prompted to send a message to your candidate. You can either:
   - A. Send a custom message to your candidate
   - B. Disregard this by selecting “Accept without emailing Submitter” in the Response Template field. Proceed to select “Accept and Do Not Send Response(s)”

3. After you select “Selected Candidate,” proceed to “Complete Review” under the Reviews column on the right-hand side

   NOTE: This form must be completed by the employer in order for the intern to apply for the stipend from the ISTAT Foundation

4. No further action is required beyond the completion of the above form

   The ISTAT Foundation headquarters team will directly follow up with the intern to complete the application for an internship stipend.
