This camp offers a non-contact, fun and high-tempo experience, organized by grade. The camp features an excellent camper-to-staff ratio and a certified athletic trainer is present for the entire camp.

The Unionville Youth Football Camp will offer instruction in all phases of the game including:

- Individual offensive and defensive position play
- Group offensive and defensive position play
- Team strategy
- All aspects of special teams play including kicking, punting, snapping, and coverage
- Stretching, agility and conditioning
- Teamwork, Responsibility, Integrity and Effort

The camp fee includes a T-shirt and a pizza lunch is provided on Thursday. *The cost for a week of fun-filled days of football is just \$175, an outstanding value!*

The typical camp day includes **stretching and agility, offensive practice, games and competitions, Lunch, defensive practice, and afternoon games.**

Campers should be prepared to be outside for the day. Campers should bring a water bottle (campers can refill throughout the day), a lunch (drinks and snacks will be available for purchase), sunscreen, and they should wear comfortable clothing. Rubber soled football cleats or sneakers are fine for footwear. (In case of severe rain, thunder, and lightning, the camp will be moved indoors)

The Unionville Youth Football Camp will meet the needs of all campers. Whether you are looking for a week of fun with friends, considering trying football for the very first time in the fall, or you're preparing to play for a Bert Bell, LAFA, CYO, middle school or high school team, this camp will help you to become better. Our goal is to offer a fun and friendly teaching environment for all campers. ***Regardless of your experience, the camp will help you to prepare for the season!***
