The Head Coach will be suspended for the first game if a representative is not present on the call. Each team is required to provide the tournament host with you Credential book and roster

## **Tournament Rules**

### **Round Robin**

*Play will have 3 periods of 17 minutes*

*Resurfacing Ice will be done after the second period and the end of every game.* Round Robin play will not have Overtimes. Each team will have (1) Time Out per game.

Unless otherwise agreed to by the teams and the Tournament Director, the Home Team shall wear light/white jerseys and the Visiting Team shall wear dark/colored jerseys in all games. The maximum number of players, excluding goalkeepers, shall not exceed eighteen (18). It is highly recommended that all teams arrive with two goalkeepers. Any team that cannot satisfy this requirement must notify the Tournament Director prior to the start of the tournament. Goal Tenders maybe added to rosters for this tournament through your program but must be done through your state's registrar. Any additional goalies added must be from same level of play and from a lesser tier. Zero Tolerance will be enforced by all and handled by on ice and off Ice Officials. After round robin play, the two teams with the highest standing from each pool will advance to the semi-final round.

### **Tie-Break Procedures in Round Robin play.**

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tiebreaking format. If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tiebreaking process over again at step 1. *(If all tied teams have not played each other, then proceed to step 2. Note: a team may go into the tiebreaking process having defeated another of the tied teams and still not advance).*

The tie-breaker formulas are as follows:

1. The results of the head-to-head games played between the tied teams in the following order:

- a. Standings — Most points.
- b. Most total wins.
- c. Differential — Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
- d. Quotient — Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for.”

2. If after applying the formulas of 1 a, b, c or d the tie still exists, the results of all the games played by the teams tied in the following order.

- a. Most total wins.
- b. Differential — Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
- c. Quotient — Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for.”
- d. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
- e. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.

3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

**Note:** Forfeits - If a team forfeits any of its games, and becomes involved in any tie-breaking formula to determine its eligibility to advance to the next level of play, the team forfeits all games in the round robin play and the games are recorded as 1-0 victories
