Credentials

National Tournament Bound Tournament Teams – Do not mail your Credentials book! Your Credentials book must be complete and checked by your State Registrar. Your State Registrar will then sign the Credentials Verification form and forward it to the host State Registrar before your arrival. Your local State Registrar will also notify the host State Registrar if there are any pieces missing in your Credentials book. Should that occur, the player/players would not be allowed to play until said documentation is provided to the Tournament Director. Your book must be present at the tournament and turned in to the local Tournament Director on request to resolve any outstanding questions.

The Credential book should contain the following:

1. A certified Roster Registration Form (1-T) signed by your state registrar.
 2. Sanctioned game score sheet to verify compliance with the 10/20 (Youth) or 10/14 (Girls/Women) rules for each rostered player.
 3. All coaches must show on the roster (#1 above) as being credentialed at the level mandated by USA Hockey.
 4. Non- US Citizen (Transfer) must be noted as “Complete” on the roster (#1 above).

(2) The committee shall be responsible for deciding any action, suspensions or otherwise, to be taken against a player or team official receiving a game misconduct or match penalty. The committee shall have full power to waive or increase the one-or two-game suspension imposed in Rule 404 (c), Game Misconduct.

(3) The committee shall have authority to initiate action involving supplementary discipline against a player or team official whether or not it involves the playing rules; provided, however, that no suspension shall occur without first giving notice of the intended action and providing the opportunity for a hearing.

(4) No player or team official shall be suspended from participating in the remaining games unless he/she has been provided the opportunity to appear before the committee to relate his/her version of the incident.

Note 1: *No hearing for game misconduct will be permitted for any player who incurs five penalties in the same game. Players shall be assessed a game misconduct penalty.*

Note 2: *No hearing for game misconduct will be permitted for any head coach whose team incurs fifteen or more penalties during one game. The head coach shall be suspended for the next one game of that team.*

Coaches Meeting Information

The mandatory coaches meeting will be conducted via conference call rather than in-person. **The meeting will be scheduled for the week of the event** - Head Coaches will receive an email invitation by March 2. The meeting will address the rules and make sure all information needed has been provided. This is a **mandatory** call and each team is required to have a coach and/or manager on the call. The Head Coach will be suspended for the first game if a representative is not present on the call. Each team is required to provide the tournament host with roster labels (3 labels per game, max of 5 games = 15 labels) at least one hour prior to your first tournament game.

After round robin play, the top 2 teams in each pool will advance to the semi-final round.

*Round Robin play will not have Overtimes or Time Outs.

Round Robin

Tie-Break Procedures in Round Robin play.

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tiebreaking format. If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tiebreaking process over again at step 1. *(If all tied teams have not played each other, then proceed to step 2. Note: a team may go into the tiebreaking process having defeated another of the tied teams and still not advance).*

The tie-breaker formulas are as follows:

1. The results of the head-to-head games played between the tied teams in the following order:
 - a. Standings — Most points.
 - b. Most total wins.
 - c. Differential — Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
 - d. Quotient — Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of "goals for."

2. If after applying the formulas of 1 a, b, c or d the tie still exists, the results of all the games played by the teams tied in the following order.
- a. Most total wins.
 - b. Differential — Subtracting goals scored against from goals scored in these games, the positions being determined in order of the greatest surplus.
 - c. Quotient — Dividing the goals scored in these games by the goals scored against, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for.”
 - d. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 - e. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.
3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

Note: *Forfeits - If a team forfeits any of its games, and becomes involved in any tie-breaking formula to determine its eligibility to advance to the next level of play, the team forfeits all games in the round robin play and the games are recorded as 1-0 victories*

Semifinals & Championship Games

Semifinal and Championship Games shall be continued to determine a winner. All overtime periods shall be five (5) minute sudden death overtime periods. Each Team will receive 1 Time Out to be used during regulation play OR overtime.

- a. 1st OT - Two (2) minute rest period, teams will change ends and play 5v5
 - b. 2nd OT – teams will not change ends and play 4v4
 - c. 3rd OT – Two (2) minute rest period, teams will change ends and play 3v3
 - d. 4th OT – teams will not change ends and continue to play 3v3
 - e. 5th OT – Ice resurface, teams will change ends and continue to play 3v3
 - f. Process with 3v3 will continue until a winner is determined
