Dear Members,

WYB has been working hard on our plans for resuming sports programming using guidance from the Ohio Department of Health, the Ohio High School Athletic Association, the National Federation of High School Sports, and the Centers for Disease Control. We are excited to get back to sports but have to do so responsibly and safely.

Our programs will look different than they have in the past. There will be strict protocols for everyone involved. We ask for your cooperation and adherence to the new protocols; they are in place for the safety of our entire community.

Extreme care will be given to social distancing. Not only is social distancing required by ODH for reopening, but it is also required by our partners who issue permits to use their facilities. Failure to adhere to the distancing protocols jeopardizes the health of others and WYB's ability to obtain/retain permits - those who cannot comply will be asked to leave.

Bathrooms and bleachers remain closed, please plan accordingly.

Our Board is evaluating each program's readiness before approving its restart. Program statuses can be found at WYBsports.org. You can also follow us on [Facebook](#) and [Twitter](#) for updates.

Yours in Wellness,

The Board of Directors
