

PAGLA Player Release Form and Eligibility

Member organizations shall not permit any player to participate in their program if the player does not reside within the member's school district boundaries or such other boundaries established by PAGLA unless authorized the PAGLA Board of Directors.

All requests for exceptions must be submitted by the player's parent or legal guardian using the Player Release Form. Requests should be sent to PAGLA President, Ross Waetzman (rwaetzman@gmail.com) and your your Region Representative (your local program can provide a contact).

Player Release Forms must be submitted before the due date posted on the PAGLA website.

Once the Player Release Form is received it will go before the Board of Directors for review. The Player Release Form must be signed by both organizations involved. The PAGLA Board will respond with a final decision in writing via email within a 2 week time period from the date received. No request from a member organization is permitted. Recruiting of players from outside of a member's boundaries is prohibited.

Exceptions will be granted in severe cases of hardship. It is difficult to establish specific facts that might lead to the Board decision to grant an exception. Please provide as much detailed information as possible on the player Release Form to insure an educated decision by the PAGLA Board.

If a player lives within a township that does not have a lacrosse program that player may participate in the closest township lacrosse program. If a lacrosse program is formed within their residing township at any time, the player will be expected to play for that program. No grandfather rule will apply.

Examples of certain criteria that would NOT be considered eligible:

-Player did not play for her home club last year (no grandfathering)

-Player has or had a relative who coaches or coached in the non-home club

-Player has school teammates, summer club teammates, or friends on the non-home club

-Player attends school within the non-home club area
