

38th PACIFIC CUP SOFTBALL TOURNAMENT 2017
Softball Skills Competition

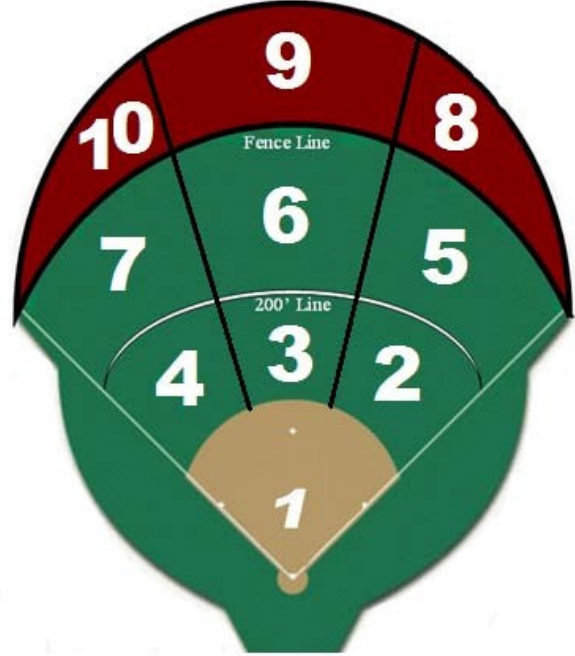

Hitting Challenge:

- Gain points by hitting the ball (in the air) to specific areas of the field.
- Each batter can only swing 7 times over a maximum of 10 pitches.
- Point value is based on when the ball initially hits the ground.
 - If the ball lands on a line, the higher point value is given (homeruns: ball must clear fence)
- Participants may provide their own pitcher.
- **Tiebreaker:** Fewest number of pitches, followed by fewest number of 1-point hits

Softball Skills Competition

Throwing Challenge:

- The objective is to throw a softball as close to home plate as possible.
- Points will be awarded based on distance and accuracy of the throw.
- Participants will receive 9 throws (3 throws from each distance and side of field).
- **Tiebreaker:** Most throws landing in the highest point value zone (until tie is broken).

Softball Skills Competition

Base Running Challenge:

- The objective is to have the fastest combined time between the two disciplines:
 - 1st discipline - Home plate to first base
 - 2nd discipline - From homeplate to 1st, 2nd, 3rd, and then back to home plate
- The two times will be added together and the fastest overall time is declared the winner.
- Runner will begin with front foot on the plate.
- Clock will begin on the runner's first move.
- Runners must touch each base in the appropriate order.
- **Tiebreaker:** Fastest "2nd discipline" time

Fielding Challenge:

- The objective is to cleanly field the most balls and make an accurate throw to first base.
- Participants will get 10 attempts.
- Points will be awarded for the following:
 - 1 point = cleanly fielded ball
 - 1 point = throw caught by first baseman (that is still touching the bag)
- Maximum number of points = 20 points.
- Balls will be "hit" between the 3rd and 2nd base bags.
- Participants may supply their own first baseman.
- **Tiebreaker:** Completed in the shortest amount of time.
