**Site:** Star Hill Athletic Center, 100 Gerber Drive, Tolland, CT. 06084

WINS For Life elevates the skill level of youth basketball students while contributing to their self-esteem and confidence. Students participating in WINS For Life clinics will improve their basketball skills and learn important life lessons. Individual attention, encouragement, and instruction are at a premium. Our “offensive skills” clinics cover basic and advanced fundamentals, including ball-handling, passing, shooting, cutting, one on one moves, and creating scoring opportunities. This fun learning opportunity features some games and contests to reinforce the skills and lessons taught.
