WINS For Life provides educational services & motivational events for adults and students. We host professional development workshops, team building seminars and training for teachers, childcare providers, coaches and other professionals. Students will gain multiple benefits, life lessons and fun learning experiences via our after-school programs, school events, and a range of basketball events. Other services: 3 on 3 tourneys, basketball leagues, team consultation, motivational guest speakers.

Benefits: Coaches in attendance will obtain a balanced platform to develop winning students and successful teams. This high-energy clinic features an insightful classroom seminar, followed by a power-packed gym session. This includes demonstrations and a simulated practice, an abundance of outstanding drills, and methods for team and player development.

****Each participant receives the WINS For Life Basketball Resource Coaching Booklet & clinic outline.***

Presenter: David Vasquenza is owner of WINS For Life. He is a guest speaker at the Basketball Hall of Fame. Coach Vasquenza has coached at the college, high school and middle school levels. He assisted Worcester State College to the best four-year record in the 70-year history of the Men's program. The Lancers earned the first MASCAC Championship in school history (2000) and two ECAC berths (1998, 2000). From 1994-96, "Coach V" led CT. Starters Boy's AAU teams to three consecutive State Championships. Over 40 players from his WINS All Stars program advanced to play college basketball, including at Notre Dame, Yale and UConn.

Content: This interactive and highly informative coaching clinic is for those working with students in grades 3-9. Participants gain knowledge on a range of topics including: philosophy, strategy, practice planning, skill development, game management, leadership, organization, implementing fun with hard work, motivating student-athletes, X's & O's, and a variety of outstanding basketball drills.
