

The **CRC** Little Coders Club is designed to expose young students to the power of coding. Warren students in Kindergarten, 1st, and 2nd grade will meet weekly before school for 6 weeks to learn the design process and introductory coding skills. Students will utilize tools and resources like Code.org, BlueBots, and Ozobots to extend learning and apply new skills.

Students should arrive on time and enter through the front doors. Students may not be dropped off prior to 7:50 am or left at school unsupervised. Parents must be able to provide transportation for their child.
