There have been Stoughton – McFarland co-op rumors. Nothing has been set in stone as of yet. Still talking with McFarland about a possibility of a co-op at certain levels.

As of now for the 2013-2014 season our teams have 7 Bantams no goalie, Peewees # will be fine with 18 and 2 goalies, Squirts have 12 and 1 goalie. If we co-op with McFarland for Squirts there is a possibility for 40+ skaters For an A B and C team.

Bill will send out an email to all of the U8 and Squirt families to set up a meeting to get everyone together to find out what everyone's plans are as for next season.

Director of Hockey: Will keep up with new jerseys and finding a supplier for our club at a good price. Has a couple as of right now.

Treasurer's Report: emailed to Rene and Bill from Ryan. \$ is down right now from last year and will have to pull \$ from MM to pay Feb ice bill but should make it up from 3 X 3 tournament.

Fundraising Info: Syttende Mai food stand will be chaired by Chris Hendrichs this May. Looking into other option for meat orders that might be cheaper than Stoddards which was used last year.

Secretary's Report: Asked to get the USA hockey confirmation codes of the new skaters as soon as possible to claim them in our system before the end of the season.

Bantams: 1 bantam was set up for a payment plan and was scheduled to make their first payment on Saturday Jan 26th but they didn't.

General Discussion: Discussed changing from a level 2A to lower to make it easier to schedule games and tournaments.

There are rumors that Oregon is in their last season due to finances.

Possibility of a lot of players moving from Oregon hockey to Stoughton if that does happen.

Open board positions coming up, need to recruit new members to run for the board.

Bryan Huston & Adam Vogt are the new chairs of the annual 3x3 tournament. Chris Howell and Colleen Flesher will help them this year.

Really need to push the 3x3 tournament. ALD's email everyone in on your contact list and more. Find emails on the WAHA and region 4 websites and email everyone to get as many teams as possible.

Discussed recreation skating and if we should keep up with it or hand it all over to the city. Decided to keep up with it and Kelly Tomlinson will take over Ryan Picek's spot and get other coaches to help as well.

Pete Seybold will be the new equipment manager.

Brad Milbauer will be the new MCC liaison between SYAH and the Mandt board.

Floor Hockey and Lacrosse are still open for someone to take charge of.
