President's Report: 35 skaters signed up as of this AM. If all peewees sign up we will only have 9. Recruitment committee meeting this week and need to recruit about 4 peewees. Offer skating school to skater 10 and up. Offer recruitment incentive to anyone who recruits a peewee age level skater. There are 21 bantam age skaters. Check with Oregon, no JV will help our U18 age level. They also have 10 peewee age skaters as well. Make a big push at recruitment meeting on Thursday and come up with a few options and email everyone in a couple of weeks.

Treasurer's Report: Passed out report, a few people registered and have not paid yet. Club is up about 15K from this time last year. \$80-90K needed – about 105 skaters. Placed 13 sets of jerseys, still have 16 sets.

Secretary's Report: Renewed raffle license for 2012-2013

DOH Report:

ALD Reports: Squirt parent upset about travel and non-travel teams

Carl Helmich has been in contact with coaches, pretty much everyone from last year.

General Discussion - Look at next year of having possible sponsors to place logos on jerseys.

What can we do to prevent the drop in skaters @ peewee 11-13 age level?

Everyone get one \$50 sponsor for website to offset fees.

Next meeting-Sunday September 9, 6:30pm Mandt Center
