Call to Order:

Motion to approve last months minutes

Treasurer's Report:

- 2013 Financial Standing

President's Report:

- Tryout process – Christine and Mark Ziemann (guests)
 - Would like the coaches rubric to be on the website so kids can see what they're being evaluated on
 - Would like kids to get some feedback as to what they've done well and what they need to do to get better
 - Coaches should be able to see the evaluations afterward
 - Coaches Committee should review the rubrics before season begins (this is in our bylaws). Let's plan this for our June meeting
 - These are all fair requests and things we'll want to make sure to follow up on in the future
- Enrollment Numbers
 - Did not discuss
- SYHA Night at Pizza Hut follow up
 - We raised over \$650! (this is less than reported, there was confusion, we found out this morning, they put the tips into the amount we made on pizzas)
 - It was a great event and the kids had a great time
 - Our next event is at Culvers on December 4th from 4:00 pm to 8:00 pm
- Background Checks and Safesport
 - Info will be coming this week, board members will need to have background checks done

Stoughton Youth Hockey Association Board Meeting:

- THFF Follow up
 - Great event!
 - 20 kids came
 - Thank you to Tammy Lambert and Melissa Shrier for their help with this event and the Board members who donated their time!
 - The idea was brought up to do another THFF event, possibly in conjunction with the December 7th Little Vikes Winter Festival.
 - Matt Jones offered to lead this initiative and Kelly Tomlinson offered to help out
 - This would help promote the second session for U6
 - I will follow up with both over the next week
 - Matt or I will submit updates to everyone as things progress.
 - Next time
 - We need more people at desk to help out afterward
 - We should have an information meeting before or after
 - ALD's should be present and have signs clearly marked so parents know who to talk to
 - Equipment should all be in the Community Room
 - Set the time more clearly on marketing materials so people don't show up at the exact time we'd get on the ice
 - The kids helping out worked out good (as long as it is controlled), it would be nice to have some U14 girls out there as well
- Rosters are due 11/15/13
 - Do not send birt certs. Just include birthdate.
 - Jan is second update to roster
 - Double Rostering
 - The proposal is on the table to have all kids be double rostered to the next level up
 - This would allow us, in emergency situations only, to have extra skaters due to low numbers
 - We will will send something out to all parents making sure they would want to do this (if they do not, they do not have to)
- Moving meetings to BBG
- Nominating Committee for new board
 - Chris Hinrichs and Chris Cook would like to lead this
 - Bill will get them the list of how many positions are going to be open
- Cash Register training – everyone left so we did not do it
- Jerseys for Conant and Stoughton Trailers
 - Since the meeting, Wade sent a nicely detailed letter and was able to get a response
 - The jerseys and socks should be here this week
- Paper Registrations (can't do master list without all the registrations)
 - Rene has them we believe
 - Kristen and Pete gave them to her at the open house
 - Just need to retrace who we are missing
- Follow up on personalized sticks

- We'll have a sample out at the Pictures tonight and people will be able to order them tonight
- Kelly offered the services of her husband to make a sign up form and have out at picture night.
- Raffle tickets were distributed
 - U8 00391 – 00491 and 00501 – 00621 and 00631 – 00651
(Kelly has them)
 - Squirts 00751 – 00961 (Wade has them and will distribute for John)
 - Rec 00661 – 00741 and 00971 (Pete has them)
 - Pee Weeks 00011 – 00231 (Kristina has them)
 - U14 00241 – 00381 (Chris has them)
