There are some skaters that still aren't paid for. Decided to give them until Sat, if not paid by then, they will not be allowed to skate.

President's Report: Have about 5 people that have shown an interest in running for the SYHA board of Directors and we have 6 openings. Dec 15<sup>th</sup> is the deadline for bio's to run for the board.

Director of Hockey:

Fundraising Info:

Secretary's Report: Rosters will be in mailboxes by the end of this week. There are 2 copies of the roster, 1 for the team manager and 1 for the ALD. There are a number of players that need age verification. The forms for age verification are in with the rosters. If you need more forms they are available on the WAHA website.

Age Level Directors:

U6: & U8: LVWF has 29 teams signed up so far, 250 kids total & will be a tight schedule. Kristina will stock up on food & supplies for the tournament & decided to go with Pizza Hut. Tournament should cover the ice cost with approximately \$400 extra. Concessions, sucker pull and raffle will be total profit. Sign up to work the tournament is almost full. Decided not to have any kids work at the sucker pull, it causes too many problems. Need help on the ice between games with nets and barriers and clean up. Will have a t shirt guy at the tournament and will donate % back to the club, (cost \$10-\$12 shirt) he will set up the night before. Deanne Eccles will be doing helmet checks for everyone interested. Play it again will have a table there as well. We're having an issue

Stoughton Youth Hockey Association Board Meeting:

with a lack of coaches at the u6 level. We will have to start to assign all coaches in the club to share the coaching responsibilities for the u6 team.

Squirts:

Rec:

Peewees: There was a peewee that skated up last weekend from peewee B to peewee A. Peewee A was short their goalie and since it was a non league game and it was ok with all coaches and parents it was approved as a last minute decision. Is not against WAHA rules to play up on a team if it is decided by both coaches and parents involved.

U14: The girls team have had a lot of problems with locker rooms this season. There has to be a safe place for the girls to be able to get dressed for all events that take place at the rink. We will be getting a magnetic sign for the door of the locker room that the girls will be occupying. This will help with confusion with locker room assignments and any confusion so the girls can feel a little safer at the rink.

General Discussion: Personalized sticks should be here within a week, the club should make a profit of about \$400 from them.

Chris Cook looked into locker room policies on WAHA and USA hockey. There isn't really a general policy. There is a suggested policy and he will continue to look into it. January 14<sup>th</sup> is the deadline to have all team scores entered into the region 4 website.

ALD's make sure to remind you team managers to update them regularly. Raffle Dec 7 @ 5pm.

We have had some issues with teenagers working the concession stand not logging hours, not vacuuming and counting the till. The families hiring them to work are responsible for them if they decide to hire them. Also discussed getting a 2<sup>nd</sup> cash register.

Next Meeting: January 5<sup>th</sup> – BBG's – 6pm
