PARENT AND PLAYER CODE OF CONDUCT

The Rochester Coalition, comprised of Rochester Grizzlies and Rochester Youth Hockey (the "Coalition"), has the belief and philosophy that the overall hockey experience shall be a fun and enjoyable one. It is therefore necessary that players, parents and staff members conduct themselves in a responsible manner from the moment they enter an ice arena until the time they leave. It is up to all of us to set a proper example for everyone around us. The actions of each and every one of us reflect upon all of us, upon the two associations, and the entire Coalition.

Each association within the Coalition has been in existence for decades and is highly respected in the community, and the Coalition extends this positive reputation. To maintain this status, it must be understood by all players and families that abusive language, abusive behavior, abusive texts, running around, horseplay, fighting, hazing, bullying, cyber-bullying, negative social media postings, and other UNACCEPTABLE BEHAVIOR WILL NOT BE TOLERATED!

Should anyone from the staff of the Coalition feel that conduct was not appropriate, the Coalition Committee and representatives of the home association will discuss the matter with the player and their parent/guardian. Should a situation, behavior, etc., continue, the player may be asked to leave the Coalition and the respective home association. In the event certain egregious behaviors occur, expulsion from the Coalition and home association may also occur, without the opportunity for the player to change or conform his/her conduct.

The aforementioned statements and expectations apply equally to parents. Abusive language, abusive texts, foul behavior, bullying, cyber bullying, negative social media comments, taunting of other players, fans or referees, WILL NOT BE TOLERATED! Equally, disruptive behavior from a parent disgruntled over an issue with his or her own child will not be tolerated. If a parent has a problem with any member of a Coalition or association coaching staff or an issue over the development or well-being of his/her child as it pertains to his/her participation as a player with the Coalition or organization, it must be brought to the attention of the Coalition Committee and the home association.

We will be happy to discuss the issue with you and your child in private. Conversations should be conducted in a mature and constructive manner. Conversations in public WILL NOT BE ACCEPTED! Once the Coalition Committee and home association has reached a decision over an issue, we would ask for and expect your support moving forward. Issues involving safety and security must also be brought to the attention of association management and the Coalition Committee. Any issues involving threats of any kind will be taken seriously. Any offense, which may be illegal under local laws, will be dealt with as such, and the local authorities - including police - may be contacted.

The undersigned hereby verify that he/she understands, agrees to and will comply with these terms:
