

High School Baseball Families:

It's never too soon to start preparing for the spring high school baseball season. BCC Baseball is again offering January and February pre-season workouts.

There will be a total of 8-two hour weekend sessions and 6-one hour batting cage sessions on Mondays, Wednesdays or Fridays . After the weekend sessions start there will be a sign up for the weekly batting sessions. These workouts are open to any local high school player who would like to participate. The emphasis of the workouts will be to warm up for the upcoming season. This is a great way to prepare for High School tryouts and team practices that will begin on March 1st.

These workouts will be staffed by BCC Baseball professional coaches with high school and college coaching experience.

Location: BCC Baseball Indoor Facility
40A Southlawn Court Rockville, Maryland
