

## Timekeeper and Scorekeeper Procedures Sungod and NDRC

### Sungod

- Timekeepers and Scorekeepers can enter the building 10 minutes before game time or once the previous occupants have left.
- Please enter at the back of the arena, by the zamboni area with the players.
- Temperatures will be taken, contract tracing information recorded and the Health assessment completed before entry
- Once inside cross the Zamboni bay, go around the corner and head down the next hall towards the timekeepers area.
- Score and Timekeepers should maintain a distance of 6' at all times and a mask must be worn while inside the building.
- Once the game is over please wipe down the time keeper area
- Exit out the lower lobby doors where you will meet your player.

### NDRC

- Timekeepers and Scorekeepers can enter the building 10 minutes before game time or once the previous occupants have left.
- Please enter at the main arena doors with the players from the home team
- Temperatures will be taken, contract tracing information recorded and the Health assessment completed before entry
- Once inside head straight to the timekeeper area and get the clock set up.
- The Scorekeeper will have to stand outside of the timekeeper area as they can't stay socially distanced.
- Both the time and scorekeeper are required to wear masks for the entire time they are in the building.
- Once the game is over please clean the timekeeping area and then exit the arena the same way you came in. You can wait for your player outside.
