

Dear La Cañada **Baseball** Families,

As mentioned in the email from LCBSA President Joe Radabaugh yesterday, we will be offering a set of baseball clinics for the various LCBSA age groups this fall. **Space will be limited as we are restricted in the number of participants we can host at a given time – so please register as soon as you can to try and ensure a spot is available if you are interested.**

Information related to our softball clinics will be sent via a separate email.

Baseball Clinic Information

Baseball clinics will be conducted by coaches LCBSA has hired who have experience conducting clinics of this nature. The clinics will be comprised of three (3) groups of no more than 8 children rotating through a series of stations focusing on baseball skills. Children will be kept in pods and must abide by the protocols we have established and will be distributing in the coming days.

LCBSA is subsidizing the cost of these clinics, so the **fee to register is \$15 per child**, which gives you access to attend up to 3 clinics (2 guaranteed per child and potentially a 3rd based on space availability). **Your child must be registered prior to October 10, 2020 in order to attend. NO WALKUPS WILL BE ALLOWED TO PARTICIPATE DUE TO COVID REGISTRATION AND PRE-SCREENING REQUIREMENTS.** At this time we are able to provide clinics for the following age groups* per the schedule laid out below:
