

Dear La Cañada **Softball** Families:

As recently mentioned, we are offering softball clinics for the various LCBSA age groups this fall. **This e-mail contains information on how to register. SPACE WILL BE LIMITED, so register as soon as you can to be insure your child gets a spot.**

Clinics will be held pursuant to COVID-19 protocols developed under State, County and Local guidelines and conducted by coaches hired by LCBSA. Children will rotate through drills and stations in pods to maintain social distancing. Adherence to clinic protocols – including wearing face masks – will be mandatory for all coaches, players and volunteers.

The Clinics cost \$20 per child, and a Pitcher/Catcher clinic can be added for \$5. Children must be registered in advance; registration will close when clinics are full; and no “walk-ups” will be allowed the day of the clinics.

The Clinics will take place by age group based upon your child’s age for the 2019-2020 season according to the following schedule:

To register, please fill out the [REGISTRATION FORM](#). Once registered, please remit the \$20 or \$25 registration fee via [Venmo](#) (@LCBSA91011). ***IMPORTANT: be sure to put your child's name, age, and your email address (the one you use for registration) in the memo line of the Venmo payment, so we can match registrations to payments.***

Once registered, you will receive a protocol form and waiver form to review and complete. You will need to complete these forms and return them prior to Wednesday October 15, 2020.

Please feel free to contact our communications lead for the softball clinics Dean Rocco (deanarocco@gmail.com) should you have any questions or concerns.

Best,

Your LCBSA Board
