You will see 3 Columns. Attending, Not Attending, No Response. If you want to send an initial RSVP to your team go to the No Response column and click on the Envelope Icon. This will email your team with a YES I will attend or NO I will NOT attend.

The screenshot shows a web interface for Little League. At the top, there is a navigation bar with links: HOME, TEAM INFORMATION, LEAGUE INFORMATION, PARENTS, SPONSORS, and CONTACT US. Below this is a filter section with dropdown menus for Season (2014 Spring), Division (Majors), and Team (Dodgers). The main heading is "Practice on 2/12/2014".

You can come back to the RSVP later and check to see who is coming or not. You will not get an email from each member of the team. You will have to check the web-site, but your inbox won't be flooded with emails. Hope this helps.
