NH FOOTBALL CAMP AND SHOWCASE

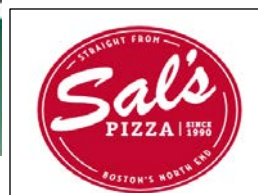

(Formerly the Merrimack Mudcats Football Camp)

This is a 2 day **full pad** camp with contact drills and optional full contact controlled scrimmages, featuring several former New England Patriots players as instructors. Athletes will be placed into age and grade specific groups, and can choose 2 positions to receive instruction in. The camp is open to all eligible tackle players entering 2nd – 12th grade for the 2018-2019 school year. Each camper will receive a camp specific T-shirt, a personalized autograph and photo session, several hours of on field instruction from the pro's, and leave a better player than when they came. This is NOT a walk through camp – campers will be put to work, gain confidence, and will learn how to become better football players. Campers need to bring their own equipment including cleats and mouth guards. There will be a snack shack available with lunch items, snacks, sports drinks and water at reasonable prices.

Private school and college coaches will be on hand to evaluate players.

If you can only make 1 camp this year, then make this your camp. We will not waste your time or your money, I guarantee it!

Plenty of space for pop up tents, viewing, and filming your athletes.
