

THUNDER ACADEMY 16U HS TEAM 2020

Parents,

Thank you for your patience with the budget and schedule. We have worked hard to put together a schedule that will allow us to compete against top talent. Our 16U plan is to introduce players to traveling out of state as a team, in college settings. Players will stay with 3 other players in a room. There will be a curfew and coaches will pick up every player's phone at 10:00 pm or 1 hour after the game. The expectation for the players is that this is a business trip, not a vacation. We will be playing on some Division 1 and Division 2 fields. Professionalism will be the expected behavior. We not only represent ourselves but, our families and Thunder Academy. I will inform each team that breakfast is not required, but if you want your phone back, it will only be handed out in person at breakfast. If a player chooses not to attend breakfast, coaches will be more than happy to give their phone back the following morning at breakfast and not before. We will be traveling to 3 out of state tournaments and will be playing in 3 in state tournaments this summer. Transportation will be provided for out of state tournaments. Players will be riding the team bus to the out of state tournaments.
