BACK TO SCHOOL

As school starts, please remind your athletes of the importance of school attendance, behavior, and academic performance. This is a great opportunity to teach your child time management skills and the importance of balancing obligations like school with extracurricular activities like football and cheer/poms. These are important lessons that will last a lifetime.

Imagine with all your mind.

Believe with all your heart.

Achieve with all your might.

PRACTICE REMINDERS

- It is important that all athletes be at practice on time and ready to go with equipment in place by 5:30.
- Only players and coaches are allowed on the field during practice times. Parents and siblings should remain on the sidelines for their safety and the safety of the players.
- Please be sure to clean up all of you bottles, wrappers, newspapers and other trash at the end of every practice. Dumpsters are available on the southwest side of the field near the lightweights practice area and between the storage buildings on the Shabbona property. Trash cans are also available near the baseball field on the southeast side of the practice area.
- The Smoke-free Illinois Act prohibits smoking and the use of any other tobacco products on all school property. This includes practice fields, game fields and all parking lots on the school properties.
- All vehicles on school property are subject to search per notices posted at the property entrances. Please ensure the contents in your vehicle are in compliance with posted regulations.
