## SRA Youth Volleyball

It is an exciting time as Elmira Volleyball Club is merging with Southport Recreation Association. This union of two well-established organizations will carry Volleyball in Elmira to a completely new level.

Things this merger will provide to you and your daughters:

- Collaboration between two proven organizations allowing each to focus on their strengths and provide a better club experience.
- A better mode for communication provided to players, coaches and parents.
- Six scheduled tournaments for 14U, 16U and 18U (League cost is \$400 for Residents of Elmira/ Southport and \$450 for Non-Residents ) and three scheduled tournaments for 10U/ 12U (\$200 Residents and \$250 Non-Residents). Most tournaments are within a 1-hour drive.
- A pipeline of information that will allow players access to the step by step development to be able to carry over their volleyball education and mesh seamlessly with Elmira Express Volleyball Coach Arciolla's Micro and Macro-plans
- Access to heavily scheduled local gymnasiums on at least a twice a week basis.
- Access to the lowest costing volleyball club in the area.
