To Whom It May Concern:

For over 45 years, OGB has been providing young athletes with the opportunity to participate in competitive football and cheerleading. Our program teaches the concepts of goal-setting, discipline and teamwork. It instills confidence and a sense of accomplishment in our young participants. Also, we are a proud part of the NFL's Heads Up Football Program. Our coaches are certified to teach safe tackling and equipment fitting. We play eight games per season in Chester and Delaware counties as well as northern Delaware, not including playoffs. Our award winning cheerleaders extend their season to participate in local competitions.

With your financial contribution, we are able to provide program items such as: league costs, operational expenses (field rentals, insurance, referee fees) and player safety (equipment maintenance, coach training, and first aid supplies).

As a nonprofit 501(c)(3), your contribution is 100% tax deductible. In return for your generosity, we have sponsorship packages available. They include various levels of advertising for each contribution made. It is a great way to promote your business!

We are extremely grateful to all of our dedicated sponsors. Please consider joining us in continuing this great tradition.

Sincerely,
The Oxford Golden Bears
