

# BLACKOUT FORM

Team name \_\_\_\_\_ Age \_\_\_\_\_

List all conflict dates your team will have for the spring 2020 season. The season begins the week of March 23rd and ends no later than June 6th . League games will be played Mon-Fri and weekends

**We'll have weekend spots available for league play and will schedule games unless you request the weekend off. If going to a tournament out of town, make sure and request Fri-Sun off on blackout form.**

List any school testing dates, school functions, church functions, etc. on this form. We will still play the early game slot during testing as kids will get home in plenty of time to get in bed.

Spend time with your team and make sure you list all conflicts. **This is due no later than 2/10 so we can start working on the schedule.**

Once the schedule is set it will be a forfeit if you can't play a game unless your opponent can work with you and we have an available spot. **This is not a form to tell us what days you can play.** We know all coaches want to make all games, but please remember you have more than one coach. It will make it extremely hard to give you a decent schedule if you block out a lot of dates.

**Very important: We will use this form to schedule all makeup's and other schedule conflicts. If a new conflict comes up, it is the coach's responsibility to notify the league via email so we can add to your form. We will respond to these emails letting you know it's been received. If you don't get a response after sending the email, then send another one and call as well.**
