

SWORDS SPRING HIGH SCHOOL HOCKEY TRAINING

The Cincinnati Swords are pleased to announce a newly-developed spring hockey program for our high school/midget aged skaters for the 2019 season. Coach Drach will again be running our program and has expanded it to two sessions. He and his coach staff plan to offer a weekday skills session that will focus on individual skill development and a weekend session broken up into 3v3 scrimmages. Skaters will be divided into 6-8 squads of 7-8 players for scrimmages and each squad will have a jersey provided. All sessions will be fast-paced and focus will be on making all players the best possible.

IMPORTANT DETAILS:

1. Rising Freshman are allowed to register for the high school program even if their birth year is 2005.
2. Players will register for either the early or late weekday session and this will be done on a first-come basis. Coaches do reserve the right to make adjustments based on skill level.
3. Players will receive a Sunday schedule after we close registration so all squads will be scrimmaging each other and will rotate between the two sessions.
4. We have added 2 sessions for a total of 12 instead of 10. When we looked at the spring break calendars, we realized that most participants may miss at least 1 if not 2 sessions so we added a couple so the kids would not miss out. We have NOT increased the fee to cover these additional sessions.
5. Goalies have a separate registration as we reduce the price for goalies. We will accept goalies on a first-come basis. The fee for our goalies is \$175 if registered by the early registration deadline and \$225 thereafter.
