Season

40 games

I have requested 2, 1 hour long practices weekly

League will depend on the team's talent level. Would like to play BTHL Bronze if we are competitive enough. If not, we will play in the MYHL. (We will play in the BTHL seeding tournament to asses.)

3-4 Tournaments during the year

Team budget TBD

Team

14-15 players

Home/Away jerseys plus socks and shells

Pre-game warm ups to begin 1 hour before game time

Players will vote for captains

Playing time will be as equal as possible. Certain game situations and penalties will caused a missed shift occasionally.

Expectations

Players will be expected to follow team rules, Swords code of conduct policy and USA Hockey policy. Failure to do so can result in missed shifts and potential missed games depending on the situation.

We will work on skills and getting to a functioning level of hockey concepts. (breakouts, fore-checking, back-checking)

Focus will be on player development and not so much on wins and losses.

All coaches will have an open door policy to answer any questions or concerns that may arise.

We will HAVE FUN. This is a game and is meant to be enjoyed. I will drive to instill an appreciation and love for this sport as I have.
