#### **Team**

The team will consist of a mix of 2009/2010 squirt level players. We will carry between 14 and 16 players. 9 forwards, 4 defensemen, and 1 full time goalie. I want to give the players an opportunity to play positions they desire and will move players accordingly as the season progresses.

We will play in the Buckeye Travel Hockey League. The intent is to play at the Squirt AA Level. We will play non-league games and tournaments in and outside our League.

#### **Objectives for Season** *Attitude, Work Ethic and Sportsmanship.*

- Create an environment that supports positive Attitudes on and off the ice. The outcome of the games will not negatively impact the attitudes of our players, parents or coaching staff. We will use both wins or loses as opportunities to grow and improve our hockey skills.
- I expect each player to come to practice and games with a strong Work Ethic to become a better hockey player and giving their best effort every time they are on the ice.
- Sportsmanship and Respect will be the theme for the team. I will require all players, coaches and parents to show positive sportsmanship and respect to each other, our opponents and referees throughout the season.

- Have Fun. I want to have a culture where hockey is fun and each player enjoys coming to the rink for practices and games. Its not always about winning, its about getting better and having fun.

### **Travel / Cost**

As mentioned above. We will play in a travel league which will require road games and tournaments that are located outside of Cincinnati.

Cost will be roughly between (\$2,000 – \$2,200) per player depending on final number of players.
