

WILDCAT LACROSSE

Welcome to Plano Lacrosse!

Lacrosse is called ‘The Fast Game on Two Feet’ and is the fastest growing turf sport in the US. We are a private lacrosse club established in 1991 with teams for high school through kindergarten. The game of lacrosse teaches teamwork, sportsmanship, agility, and decision making skills. Plus, ask any lacrosse player, IT IS TONS OF FUN! As a high school player your son will be playing on the official lacrosse team for Plano High School earning their varsity letter.
