The Rim Sports Complex
311 Winnacunnet Road
Hampton, NH 03842

*Our Open Travel teams are for those players interested in competing at the highest level of play and require a greater commitment of time and finance. Only those players wishing to potentially be seen by college recruiters and have designs on upper level college play should attend. Often times teams will compete in multi-day tournaments beyond the NERVA schedule.

** Our Club level teams are more about development of skills and require less commitment of time and finance. While there are still opportunities to be seen by college recruiters, the emphasis is more on development of skills, camaraderie and the spirit of competition. While some club teams may play multi-day tournaments most will follow the regular NERVA schedule of 5 tournaments per season.

*please visit our website: www.greatbayvolleyball.com for full details.
