Proposal

Starting with the 2018-2019 school year, the Indianapolis Junior Braves Lacrosse program will be formed under the umbrella of the Brebeuf Jesuit Athletic Department as a 501c3, and is seeking entry for two girls' teams (U12, U14) for the 2019 Indiana Youth Lacrosse Association Spring Season. ***We ask that this proposal be approved in advance of the upcoming school year, so we can facilitate hiring of coaches, field schedule, and marketing to available families.***

Indianapolis Junior Braves Lacrosse

Vision Statement:

Indianapolis Junior Braves Lacrosse will serve as the premier lacrosse program for a group of Independent and Catholic Middle Schools in the Indianapolis metro area.

Mission:

The Indianapolis Junior Braves Lacrosse Program will provide opportunities for girls in 5th-8th grade from various schools which don't currently offer a program the opportunity to play and develop. The focus of the Junior Braves will be on encouraging competitive, fun, and growth oriented lacrosse in a positive environment.

Points of Consideration

In coordination with IYLA By-Laws, Indianapolis Junior Braves Lacrosse eligibility will be defined by attendance at a set list of Independent and West Deanery schools.

- **Independent Schools (5):** The Orchard School, The Oaks School, St. Richard's Episcopal, New Augusta Public Academy, and The Sycamore School
- **Indianapolis West Deanery (2):** St. Malachy, and St. Monica
- Brebeuf Jesuit Preparatory currently has 5 USL certified level one or higher girls coaches. All coaches of the Indianapolis Junior Braves will be certified and proper background checks conducted by Brebeuf Jesuit Preparatory.
- The Indianapolis Junior Braves will have an oversight committee that will include Brebeuf Jesuit Administrators and High School coaches. They will facilitate the hiring of coaches, player development planning, budgeting, scheduling, and other administrator duties.
- Brebeuf Jesuit Preparatory will help provide moderate resources to the Indianapolis Junior Braves in the form of fields, facilities, business services (payroll and background hiring), moderate equipment use, and coaches.
