

SRVGAL new season - new name - new traditions

SRVGAL Families,

Our 2020 season is underway and with it comes some exciting new changes for our League. The first big change is that we are in the process of changing our name. Going forward we will be the SRVGAL Stompers. Stompers, having been the name for our travel ball teams for years has the reputation and image that we want for our recreational league. We believe the new name will help unify our league and bring us into this new decade with a commitment to providing a quality & fun softball experience for our players and an identity to the community that truly reflects us being the largest league in the western United States. Pride in the Stompers name will belong to all the girls.

Going forward our travel teams will be SRVGAL Stompers Elite for B and C level teams and the SRVGAL NorCal Valley Stompers for A ball teams.

The first two places you will see our new name is on our **2020 Jerseys** and our new **2020 Spiritwear** – both will be unveiled at our first-ever Opening Day on March 1st. (See the attached flyer for all the details.)

We know everyone is excited to see the new jerseys. Coaches will have jerseys to distribute at Opening Day! We hope to see everyone on March 1st.
