We are fortunate to have committed and energetic coaches help us achieve a successful season! SRVGAL's Mission and Objectives, listed below, could not be achieved without our amazing coaches. ## FAQs:

- ***“Is there a cost to register as a coach?”*** There is no cost to register as a coaching candidate for any division.
- ***“When should I sign-up to be a coach?”*** Register as early as possible so we can start reviewing head coach/assistant coach assignments for all drafted and grade-based divisions.
- ***“I would love to coach but it is hard for me to commit time with my work schedule.”*** Even if you have some time available, we can work with you to match you with other potential coaches who have similar schedule issues opposite of yours to ensure coverage for practices and games.
- ***“I would love to coach but I have never coached before, is that acceptable?”*** Absolutely!! Part of our mission is not only to develop players but to develop coaches as well. We offer many training platforms to assist new and experience coaches. We hold an annual COACHES UNIVERSITY training where coaches are trained by an experienced Softball Training Camp director. We have practice plans and guides on SRVGAL.org. Our experienced division coordinators and board of directors also act as guides throughout the 2021 season.
- ***“I am interested in coaching but nervous about making a mistake and or dealing with parents if I make a mistake.”*** Remember this....as a volunteer coach you are the one volunteering your time to make a positive impact each season for these amazing female athletes. If they do not choose to volunteer their time, then they can leave the coaching to you. In addition, you have the full support of the league to help handle all situations as needed.

- ***“While I am unable to coach, I know of a relative or friend who would be an excellent coach but unfortunately they do not have a daughter in the league so they do not know if they can coach or not.”*** While it is great to be a mother, father, grandfather, grandmother, aunt, uncle, or any other relative of a player, it is not required to volunteer as a coach. All volunteer coaches will go through the same screening process to ensure the safety of our athletes.

Please reach out to me or your division coordinator with any questions about the coach registration process. I am available by email, phone or videoconference to go over any questions you may have as a new or returning coach.
