

Covid-19 Guidelines

IN ADDITION TO MASSACHUSETTS STATE COVID GUIDELINES

THE FOLLOWING PRECAUTIONS WILL BE FOLLOWED BY ANYONE ENTERING THE NEW ENGLAND SPORTS CENTER (NESC)

THESE PRECAUTIONS ARE NESSECARY TO KEEP EVERYONE AS SAFE AS POSSIBLE

MASKS MUST BE WORN BY EVERYONE ENTERING NESC and AT ALL TIMES WHILE IN RINK

The NESC staff is looking forward to getting back on the ice as part of the Phase III Reopening process. To reopen the New England Sports Center in a safe and effective manner, we have instituted the following protocols in addition to the normal NESC operations for the safety and wellbeing of our staff and patrons. All guests must adhere to the following:

Masks can only be removed when participant is on the ice (COACHES MUST WEAR A MASK AT ALL TIMES WITH NESC)

- No participants in any program offered at NESC will be allowed if they exhibit fever, cough, shortness of breath, difficulty breathing, chills, loss of taste and/or smell, vomiting, or diarrhea.
- All participants are encouraged to come to rink ready to skate (minus skates, helmets and gloves) no earlier than 30 minutes prior to the start of program.
- Locker rooms usage (per State Regulations) 50% of capacity (7 players) participants must practice social distancing when in locker rooms, leave locker room doors open. **NO SHOWERS**
- Players must leave facility within 10 minutes of session ending. **NO LOITERING!**
- Parents can wait for their child out front in the parking lot. **NO Waiting in the Lobby area.**
- One parent or guardian will be allowed in NESC, but must following 6' social distancing at all times. Leave all children not participating at home.
- Waivers must be signed by each participant (Parent or Guardian for children under 18)
- All players must bring their own water bottles. **DO NOT SHARE YOUR WATER BOTTLE**
- Any participate, player, coach or team official that tests positive for COVID must provide a negative COVID result prior to reentering the NESC.
- Any individual who participated with a person testing positive for COVID must quarantine for 14 days or have a COVID test after 72 hours from the contact. The test result must be negative before returning to the NESC.
- Each rental or ice session will be assigned to a specific rink that is designated to one of two entrances at the front of the building and each rink has a designated exit.
- Staff will be stationed at the entry for each rink to log visitors as they arrive. This is required to enter the facility.

- Hand Sanitizing Dispensers will be installed at each entry and for customer use within each rink assigned.
- Customers are encouraged to be vigilantly responsible with hygiene practices and ensuring that if they have been exposed or are feeling under the weather, that they take the proper precaution and stay at home.

Thank you for adhering to these important guidelines and have fun on the ice!
