 - - Use hand sanitizer before entering the facility.
 - - If you have a medical history that places you in a high-risk category for COVID-19, we recommend that you do not enter.

As of Saturday November 7, 2020, we are allowed to get back on the ice with modifications... These modifications, in addition to all protocols currently in place, are required for all Ice Hockey in the state of Massachusetts including all Youth, Adult, Private, High School, etc., Programs and Groups.

These modifications may not be the way we want to return to hockey, but at least now we can get back to playing games. Everyone must become informed and follow all the guidelines set forth by the state.

Thank you for your understanding as we get back on the ice!

Sincerely,
Ron Woodworth
General Manager
Hobomock Sports Center

P.S. **Reminder: Alcoholic beverages are not allowed in the facility.**
