Hobomock Sports Center will reopen following an extended period of closure in response to the COVID-19 (novel coronavirus) pandemic. As you may already be aware, COVID-19 is a highly communicable virus that can cause severe respiratory illness. Protecting our guests, employees and participants is our number one priority. With that priority in mind, Hobomock Sports Center is taking numerous steps to reduce the potential for COVID-19 spread in this facility. Some of these steps include enhanced cleaning and sanitation procedures as well as comprehensive physical distancing protocols. For the health and safety of our employees, guests, and participants we ask everyone to follow the following rules:

We will be opening as scheduled on June 29th. Unfortunately, we will still be in Massachusetts phase 2 of reopening. Below are the protocols Hobomock Sports Center has put in place to comply with CDC, State & Local regulations and recommendations. - ❖ Only one parent is allowed to accompany each player into the rink.
- ❖ All players must be fully dressed before entering the Rink.
- ❖ Locker Rooms will be closed. There will be a few benches in rink 1 for last-minute skate tightening.
