US Chess National Master Evan Rabin has assembled a team of the best instructors around, including FIDE Grandmaster Mark Paragua, to form Premier Chess.

We teach students of all ages and levels critical thinking and life lessons through the game.

Premier Chess offers a unique brand of quality of chess instruction for all levels, beginners to advanced. Our teaching methods ensure that every student receives appropriate instruction based on their individual needs. At premier chess the emphasis is on the sport, fun and growth.

Premier Chess has the expertise and resources to help you get a chess program in your school up and running.

For more information about Premier Chess, see the following links:
