

Spring 2019

Dear Community Member:

Did you know that lacrosse is the fastest growing sport in the U.S.? Have you ever played lacrosse or watched it being played? Did you know that there is a youth lacrosse association in the Black Hills?

Black Hills Lacrosse offers youth in the Black Hills the opportunity to participate in competitive youth lacrosse each spring. As we begin our seventh season, we are looking forward to another great year of youth lacrosse in the Black Hills and are asking for your support of this growing organization.

We pride ourselves in providing an opportunity for youth in the Black Hills to compete in the fastest growing sport in the U.S. Each year we have continued to improve our program adding our own home fields at the Star of the West in 2017, offering scholarships so that anyone who wants to participate can, continuing to expand our competitive league play in South Dakota and surrounding states and even offering summer skill development clinics led by professional athletes.

Your generous support will assist us in keeping the fees low and providing a great program for our local youth in Rapid City and Spearfish.

Enclosed are the sponsorship offerings for the upcoming year. We are proud of our sponsors and those who donate at any level from the offerings on the enclosed sponsorship sheet will be recognized on the Black Hills Lacrosse website. All artwork for advertising should be sent via email to [info@blackhillslacrosse.com](mailto:info@blackhillslacrosse.com) no later than March 15, 2019.

A representative from our organization will be reaching out to you soon to discuss this information with you.

We greatly appreciate your generosity. Checks for donations should be made payable to Black Hills Lacrosse Association and mailed to the address below.
