

Incremental Weather Policy

When faced with adverse weather conditions, WCYHA board members, coaches and managers do their best to assess the potential risks involved in traveling and hosting games. The safety of our families is our priority and decisions are made based first and foremost on safety. However, whether or not a game or practice is "on" and whether or not a rink is open are not deciding factors for families. Each family must decide based on their own comfort level with the given situation. The decision to play or not to play is yours. WCYHA attendance policy does not apply in periods of inclement weather.

Any decisions to cancel a game need to be approved by a board member.
