

CT Hockey will be using a four-part scoresheet again this season. The additional scoresheet will be for the referees to take when needed.

150 (Tier 1), 16U and 18U Youth Tier 1 and Tier 2 Teams

Scoresheets are to be submitted electronically by email to MidgetScoresheets@CHCHockey.org.
Applies to all Tier 1 and Tier 2 Midget Teams - Game sheets for all Tier 1 and Tier 2 teams, including non-league games, will be submitted to CHC and game stats will be entered by CHC into the CHC website. Scoresheets are to be submitted by the winning team, or the home team if there is a tie to CHC via email by Tuesday at midnight after the game completion. Game sheets should be submitted as either a PDF or JPEG and must be clear and legible. Game sheets not submitted by Tuesday at midnight will not count toward standings or the team's 20/10 rule.

8U - 14U Youth and 8U - 19U Girls

Scoresheets are to be submitted to the appropriate Division Director per the following requirements
Applies to all teams

Must be submitted by Tuesday at Midnight:

- a. Scoresheets are to be submitted by the winning team, or the home team if there is a tie. (**Note:** All Mite cross-ice scoresheets are to be submitted by the **home team** regardless of the outcome).
- b. *On Tuesday, please confirm the scoresheet was submitted by the winning team. If it was not yet submitted, please submit by midnight to avoid penalization.*

Choices for submission:

- a. Email of a scanned original.
- b. Email of a cell phone photo of the original. (**Note:** Texting photos of scoresheets will not be accepted. Typically, cell phones re-size (reduce) photo sizes for texting purposes to reduce a persons data usage resulting in a scoresheet that's not legible).

Things to keep in-mind:

- All email submissions must be clear / legible, and full size
- A Division Director may request a re-scan, or an original if necessary to resolve any confusion or discrepancy.
