January 10, 2018

The Elkhart Titans Baseball Club (a 501c3 organization) was started in 2004 as a way to allow boys that have a love of baseball to extend their playing season and further develop their game. 2017 was, again, a VERY successful year for the Titans and 2018 promises to be the same. We continued our 13U/14U Spring League, a 15U/16U Summer League and our Fall Ball League which included many other area teams. We also hosted multiple tournaments at our fields. There were more than 200 games played at Titans Fields at Sugar Grove! In 2018 we will be operating six teams, allowing many young men and one young adult team to play baseball. Our organization provides an opportunity for players from Northern Indiana and Southern Michigan to improve their baseball skills as well as learn lessons about teamwork, sportsmanship, discipline, perseverance, and other valuable skills that they will draw upon for years to come.

Our teams play local games as well as participate in regional tournaments that provide our boys with excellent competition and valuable exposure to college coaches and recruiters. We are proud to have a number of Titans Alumni playing college baseball. Some teams will begin playing in March and others will play into October!

It is through corporate donations and individual sponsorships like yours that, since the beginning, the Titans have been able to impact the lives of many young men. Please consider partnering with us for the upcoming 2018 season so that we can continue to make a difference.

This year the Titans will offer five levels of sponsorship –

- **Home Run** (\$1000.00 or more) A 5'x10' banner with your company logo will be placed on the outfield fence. "Home Run" sponsor noted on our website as well as all annual recognition included with the Triple level.
