# Rescheduling Games

- **Causes and what qualifies (Rule 11)**

- i) A coach should know his/her players' availability for the whole season; ignorance will not be accepted as an excuse. Legitimate reasons may include, but not be limited to:
  - graduation,
  - sanctioned invitational tournament, (Columbus Day Weekend tournaments for example)
  - school trip, or
  - religious activity.
- ii) Lack of players due to a vacation is not a legitimate reason to reschedule a game.

- **Rain Outs - Who is authorized to cancel games or close a field (Rule 12)**

- Initial responsibility for determining the above lies with the home team's administration (not the coach). A town organization (club or park's department) can close a field or all of its fields for the full day up to when the referee starts the match or determines that the field is unplayable.
- After this, it is each game's assigned referee's responsibility to determine if a game can be played or continued
- Once a field is declared unplayable, it is closed for the day.

# Rescheduling Games

- Rescheduling Process (Rule 13)
  - The home team coach must give the opposing coach three (3) reasonable dates, within seven (7) days of the original game date, on which the game may be made up. The make-up scheduling process in SportsManager is preferred or the home team coach will confirm the date, time and place for the make-up game by:
    - Confirming field availability with the town
    - Calling both the Age Director and the opposing coach at least three (3) days prior to the scheduled make-up date.
  - In cases where both coaches cannot agree on a make-up date, the Age Director will have the authority to set the date, time and place of the make-up game.
  - Games played without the prior knowledge and consent of the Age Director could result in a forfeit to both teams. Games not made up before the last weekend of the season will be ruled a forfeit for one or both teams as determined by the Age Director.
- The Rescheduling procedure can be found on [www.middlesexsoccer.org](http://www.middlesexsoccer.org) under [Forms/Docs/Files] tab.

# Reporting score after your game

- Process (Rule 26)
  - The home and visiting team coaches and the match referee shall enter the results of each game in SportsManager (or call the Age Director if necessary within two (2) days of the completion of the match) to report the game results.
- Wrong Score Entered?
  - Contact your Age Director
  - Once you input and save the score – coaches cannot change it
- Age Directors
  - The Age Director shall review the results posted on the websites and resolve any discrepancies. They are the only ones that can change/update a score. In cases where there is a discrepancy between coaches input – the referee's score will take precedence.

# Coaches Referee Evaluations

- Referee Evaluations (Rule 31)
  - Each coach is urged to complete a referee evaluation after each match. Referee quality is an important factor in the success of the program. It is only through the regular receipt of evaluations that the Referee Committee and the Board can actively monitor the referees.
  - Referee ratings and no-show complaints should be submitted online to the Referee Coordinator using the proper procedure.

# Adding/Removing players from your team

- Process (See Rules 5, 6 and 7)
  - The town coordinator is permitted to add players to a team's roster any time prior to the roster freeze date in order to get to the maximum roster size. (See Rule 15)
    - Note: Once the roster is at the max, only 3 adds will be allowed.
- Timing
  - Rosters are frozen on the first Tuesday in October for the Fall Season (See Rule 5)
- Who can add/remove players from rosters
  - **Town Coordinators only – not the coach**
  - In order for a player to be removed from the roster, the town must provide the Commissioner a letter/email from the player's parent/guardian stating the reason for the player leaving the team. (See Rule 5)

# Game Day

- On Field Specifics (Rule 16 and 17)
  - Your team should arrive at the field 30 minutes prior to game time
  - Players should be properly dressed to play, all have the same uniform with numbers, shin pads, socks and cleats. No jewelry or casts. If your player(s) are not properly dressed, the referee will not allow that player to participate in that match. (Law 4 – The Players Equipment)
  - Coaches shall have two copies of the roster with the uniform numbers listed for each player and the Coach Passcards. (See Rule 17)
  - If a coach forgets their roster, see Rule 17 approved roster substitutes (handwritten Game Day Roster)
- Coaches, Players, Parents/Spectators and Expectations
  - Codes of Conduct for coaches, players and parents/spectators
- Zero Tolerance Policy/Sportsmanship
  - Abusive and obscene language, violent play, violent conduct, fighting, harassment, intimidation/taunting, racial or ethnic slurs and other behavior detrimental to the game will not be tolerated and that player and/or coach will be immediately asked to leave the field. (See Rules 21, 22 and 23)

# TOWN PLAYER PASS

- **Game Day Procedures for ‘Town’ Pass:**
  - Each coach will provide a roster to the opposing coach that indicates if using a ‘Town’ pass player from within their ‘Town’ and who the “‘Town’ Player Pass” players are.
  - The team official (coach/manager) must communicate their use of ‘Town’ pass players before the game or as soon as practicable following the game, to the:
    - League Registrar, Age Director and Coach/Manager.
  - The coach shall give the referee two copies of the player’s original team roster in addition to the 2 copies of his/her team’s game day roster - indicating on the player pass player’s roster which player is playing up on the Player Pass.
  - A team having a league match may select up to **4** players from within their own ‘Town’ to play for that team.
  - The number of players on the sideline, however, may not exceed the maximum “game roster” roster size.
- Town Player Pass can now be accessed online at the Coach’s Login area – see the following slides for more info.
- Please see the instructions at the back of the Rule Book. The rule book can be found on [www.middlesexsoccer.org](http://www.middlesexsoccer.org) under [Forms/Docs/Files] tab at the top of the page.

# Lightning/Severe Weather Conditions

- 1. Lightning
  - a. Recognizing the threat (1) Apply the 30-30 rule When you see lightning, count the time until you hear thunder. If this time is 30 seconds or less, seek proper shelter. If you can't see the lightning, just hearing the thunder is a good back-up rule. Wait 30 minutes or more after hearing the last thunder before leaving shelter. (2) Know and heed warning systems and community rules Many communities or park systems have lightning detection and warning systems. Use this information and obey the rules established by the community or park system. (3) Know and apply the rules or procedures established by the competition authority (4) Minimize the risk of being struck Protect the safety of all participants by stopping game activities quickly, so that participants and spectators may retire to a safer place before the lightning threat becomes significant. Remember, if you can hear the thunder, you are within reach of lightning.
  - b. Seeking proper shelter (1) No place outside is safe near thunderstorms (2) The best shelter is a large, fully enclosed, substantially constructed building. A vehicle with a solid metal roof and metal sides is a reasonable second choice.
  - c. If there is no proper shelter, avoid the most dangerous locations: Higher elevations; wide open areas, including fields; tall isolated objects, such as trees, poles, or light posts; unprotected open buildings; rain shelters; bus stops; metal fences and metal bleachers.
  - d. If you cannot avoid these locations, crouch down on the balls of your feet, with your head tucked into your chest and your hands over your ears. If someone is hit, remember that all deaths from lightning result from cardiac arrest and stopped breathing. CPR and mouth-to-mouth resuscitation, respectively, are the recommended first aid. Referees should become involved in such assistance only if they have proper training. e. Remain calm. A calm official will often be able to prevent panic by young players.
- 2. Other types of severe weather For all other types of severe storms, such as tornadoes, hurricanes, and hail, obey local rules and heed warnings. Clear the field and seek proper shelter immediately – see above. Remember, according to standard weather warning terminology a "warning" represents a more immediately likely occurrence than a "watch."

# Grade 3/4 Rules - Reminders

- A match is played by two teams, each consisting of not more than seven (7) players (**7V7**), one of whom is the goalkeeper. A match may not start, or continue, if either team consists of fewer than five (5) players who are able to play.
- The **Offside** rule will apply in a Grade 3/4 match
- Keeper distributions (**punts, drop kicks and throws**) and goal kicks may not travel in the air over the halfway line. An Indirect free kick from midfield is awarded to the other team if this happens.
- **The Goal Kick** - Opposition players to retreat into their own half of the playing field on goal kicks. The team taking the goal kick does not have to wait for the opposition to retreat and has the option to restart the game beforehand should they so choose. The ball is in play when it is kicked directly out of the penalty area.
- **A good rule to understand:** No penalty kicks shall be awarded to or taken by either team. All fouls committed inside the penalty area that would normally result in a penalty kick will be moved outside the penalty area to the point parallel to the goal line closest to where the foul was committed and a direct free kick awarded.
- Please remember – **NO HEADING or ATTEMPTS AT HEADING ALLOWED.**
