### General Information:

1. Everyone plays and bats. Our league's mission is safety, fun, sportsmanship, exercise, laughs, camaraderie and winning – in that order of importance. If you had fun you won!
2. All players play at their own risk and must have medical insurance coverage for any softball related injuries. Check with your doctor to make sure you have no medical restrictions. Play it safe – get a check-up before you play – know your limitations and skill level.
3. Player requirements are that you be able to run, field, throw, and bat with an acceptable level of competence. The Commissioner or League Director have the final say regarding the assessment of your playing capabilities and acceptance. Player safety is our utmost concern.
4. Bats: Single-wall aluminum bats are provided by the league. No outside bats are permitted.
5. Additional information and our league rules are available on our website – [www.mcssl.org](http://www.mcssl.org).
