

# Pomperaug Youth Baseball Memorial Day Tournament

## RAINOUT POLICY

PYB will make every possible effort to play games as scheduled during this tournament. Obviously, the cancellation and rescheduling of games has an impact and inconvenience on everyone's schedules and we will do everything possible within our safety guidelines to play the games. **Player safety and welfare is our number one priority.** In the event there is the potential of rain or inclement weather, the decision process is as follows:

If it looks like inclement weather, and you don't receive a telephone call or email, please report to the field for your game and the decision will be made there by the Umpiring crew and Tournament Director at the field.

For the early starts, a decision will be made by 8:00 am. If there is inclement weather throughout the day, decisions will be made as those situations arise. Please understand that we are operating with the mindset of getting in every possible game as scheduled, so it is possible that only a portion of a day's games end up being played. When games are postponed, the Tournament Director or his staff will phone each Manager that was scheduled that day and inform them of the cancellation and provide a new scheduled date and time for play. In addition, all other team managers that are affected by the reschedule will be notified by email of the new schedule.

Coaches should expect that Saturday rainouts will shift to Sunday, and Sunday to Monday – resulting in the possibility of up to three games on Monday if advancing to the Championship game.
