## History of DYB Scholarships

From the very beginning, the leaders of Dixie Youth Baseball knew they wanted to develop a college scholarship program that would help former players obtain a college education. There wasn't much money in the beginning. The first eligible players graduated in 1961, one \$500 scholarship and one \$250 scholarship were awarded. And from its modest beginning, the scholarship program has grown into an impressive venture in awarding scholarships to college freshmen.

While the scholarship awards began with modest awards in 1961, Dixie Youth Baseball now awards a minimum of eighty (80) \$2,000 scholarships annually. Total awards since inception of the scholarship program now number 1,501 with an aggregate value of \$2,770,950. Dixie Youth funds its scholarships through interest on funds earmarked for DYB, scholarships, new donations received annually, and any surplus funds transferred from the general operating funds of the program.

To apply, an applicant have at one time played in a Dixie Youth Baseball league in any 12 and under age division. There is no relationship between the award of a scholarship and athletic ability. In the selection process, the Scholarship Committee, composed of National Directors, does give weight to factors such as scholastic record, citizenship, and financial need. Only students entering college for the first time may apply for a scholarship. The scholarship is for the freshman year only.

Total cumulative DYB scholarship awards by state are: Alabama 201, North Carolina 200, South Carolina 183, Tennessee 178, Texas 149, Mississippi 139, Louisiana 134, Florida 94, Virginia 82, Georgia 82, and Arkansas 59.
