

2018 Steps to Roster Regular Season Teams

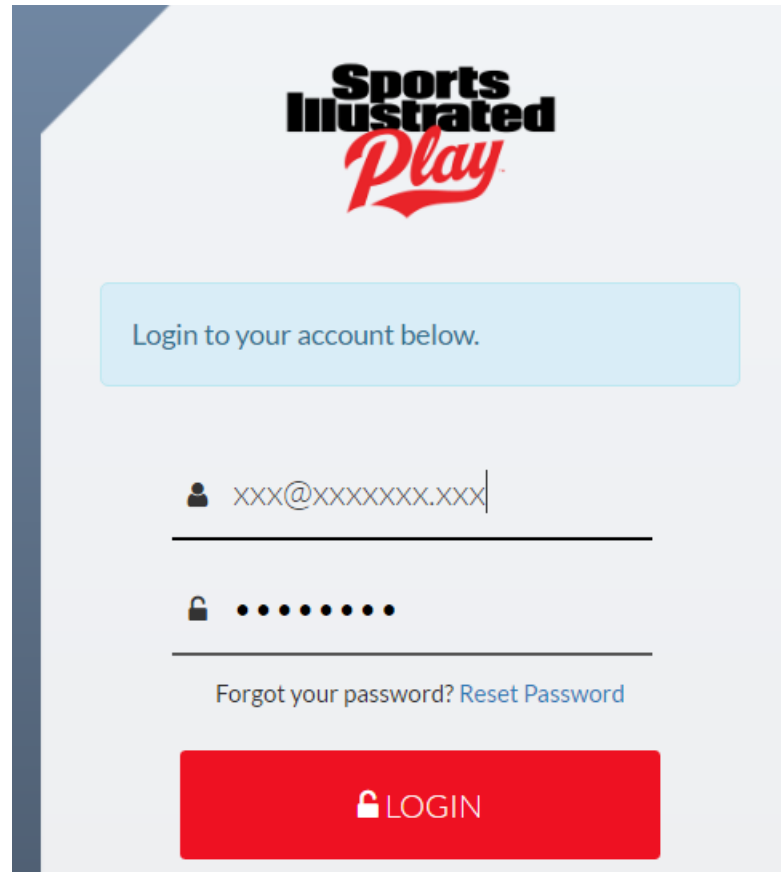

(Note: Teams cannot be rostered until League Franchise Fees are paid.)

If a league uploads its 2018 rosters with a csv file, they can click on the “ONLINE ROSTERS” tab to review instructions including videos about rostering their teams.

To download the league’s 2017 rosters, begin by clicking on the Reg Season Roster Upload Login

The screenshot displays the Dixie Youth Baseball website interface. At the top, the logo features a baseball with 'DIXIE YOUTH BASEBALL EST. 1955' inside a diamond shape with stars. The main header reads 'DIXIE YOUTH BASEBALL' in large white letters on a black background. Below this is a navigation menu with tabs: Home/Resources, Franchise Renewal, DYB Store, Rules, Pitch Counts, Insurance, World Series, Online Rosters (highlighted in red), Tournaments, Book Hotel Rooms, Scholarships, and State Websites. A red banner across the page reads '*****PAY LEAGUE FRANCHISE FEES ONLINE*****'. Below the banner, a blue bar states 'STANDARD EFFECTIVE JANUARY 1, 2018'. The 'Online Rosters' dropdown menu is open, listing: Get 2017 Rosters - Instructions, Middle Name Required, Roster Log In Screen, CSV Formatting Guidelines, 2018 CSV Template Example, CSV Team Roster Blank Template, Roster Submission Instructions, and CSV Upload Video. The main content area shows a 'WORLD SERIES' banner and a photo of a team. Social media icons for Facebook, Twitter, Instagram, and Email are visible. A 'NEWS HEADLINES' section on the right includes: 'New Bat Performance Standard Effective January 1, 2018' (1/21/2018), 'Tee Ball Stickers-Older Bats' (1/20/2018), and 'Commissioner's Newsletter - December 2017'.

Enter your roster login, using your email and password. If you forgot your password, hit reset password and a link will be sent to your email.

The image shows a login form for Sports Illustrated Play. At the top, the logo "Sports Illustrated Play" is displayed, with "Sports Illustrated" in black and "Play" in red script. Below the logo is a light blue rounded rectangle containing the text "Login to your account below." Underneath this is a text input field with a person icon on the left and the placeholder text "xxx@xxxxxxxx.xxx". Below the email field is a password field with a lock icon on the left and seven dots representing the password. Below the password field is a link that says "Forgot your password? Reset Password". At the bottom of the form is a large red button with a white lock icon and the text "LOGIN".

Once you sign on, click on Get Started to go to Manage Teams Page

Upload Your Rosters From an Excel(CSV) File

Add a Roster Manually

To begin adding your team rosters for submission click the green "+ Create Team Rosters" button above.

**On UPLOAD ROSTER page, Click on Download to retrieve your 2017 csv roster file;
Edit the file to place current year players on their 2018 teams;
After your upload template is complete, go to Step 2 to upload your league's 2018 rosters.**

UPLOAD ROSTER FILE

Follow the easy steps listed below to upload your roster file for this season.

STEP 1: CREATE YOUR ROSTER FILE

You may download last year's roster file as a starting point, or a blank roster file template if needed. **If you already have your roster file ready to upload, then skip to Step 2.**

A) Download previous session's roster file:

Baseball 2017

Download

B) Are you just getting started and need a **blank roster file** template? [Click here](#) to download.

STEP 2: UPLOAD YOUR ROSTER FILE

Select which session your roster file is for, select your CSV roster file from your computer then click the "Upload" button. The file you upload **must** be a **CSV** file.

My roster file is currently in Excel. [How do I make it a CSV file?](#)
