

THE DANNY JONES SPORTSMANSHIP AWARD

fully embodies the principles and ideals of its namesake, the beloved late Commissioner and founder of Dixie Youth Baseball.

The award is presented annually to the World Series team in each World Series which, to the greatest degree, demonstrates the character and traits for which this program was organized. The Sportsmanship Award should be coveted almost as highly as the championship trophy itself. The award is determined by a vote of the Series Officials to the DYB Majors team showing the greatest sportsmanship on and off the field. The Bill Harth Sportsmanship Award goes to a AAA team and the "O"Zone Sportsmanship award to an "O"Zone team. AA Machine Pitch & Coach Pitch World Series Sportsmanship Awards were first presented in 2014.

Everyone should remember that the players are youngsters of league age twelve years or less, and we should not expect great miracles from them, only great effort. Cheer your team and let your enthusiasm be known, but do it in a sportsmanlike manner. Applaud good plays whether by your players or the opposition. Never heckle or throw insults at opponents because they are all fine youngsters who want to win as much as you.

The umpires invited to work these World Series have been carefully selected and are highly qualified for the on-the-field responsibilities entrusted to them. The umpires need all of our support for responsibilities that are many times taken for granted. Even if you disagree with a decision rendered by an umpire during the course of this Series, remember, they cannot be accused of a lack of dedication, devotion, hustle and desire when this week has passed.

DANNY JONES
FOUNDER & FIRST COMMISSIONER
