APPLICATION FOR CONSIDERATION FOR MEMBERSHP IN THE DANNY JONES CLUB

In return for the sum of \$150.00 membership fee (check or money order payable to DIXIE YOUTH BASEBALL, INC.), application is hereby made for membership in the exclusive DANNY JONES CLUB. Such application is made knowing and following the guidelines appearing below.

1. The membership fee is \$150.00. All proceeds from fees, less expenses (certificate, lettering, framing, etc.) shall go to the Dixie Youth Baseball, Inc. Scholarship Fund. This fee entitles the applicant, upon acceptance, to life membership in the DANNY JONES CLUB.
2. Only a league, district or state organization may sponsor a person for membership. The signature of the top official of the sponsoring organization must appear on the application with a general description of the nominee's contribution to the sponsoring organization.
3. Membership is open only to those who have contributed in a vital way to the operation or well-being of a league, a district or a state organization or to Dixie Youth Baseball in general. Persons currently serving in elected positions of Dixie Youth Baseball on the district level or above are NOT eligible for membership. Persons who formerly served as elected officials at the district level or above will only be considered because of service to the sponsoring organization. Fulfillment of duties for which they were elected will not be used in consideration of the application. This club is designed to provide a means for DYB to recognize those generally outside its own "family" who have proven, over the years, to be special friends to the organization and to have helped DYB in outstanding ways.
4. Upon receipt of this application in DUPLICATE, together with the \$150.00 fee, it is to be forwarded to the state director of the sponsoring organization who is to present it to his State Board of Directors at its next official meeting for consideration. The state director shall notify the Commissioner of the action taken at the state meeting. If requested, the Commissioner will prepare and mail the membership certificate to the state director or sponsoring organization's representative for presentation. The National Board of Directors will ratify the membership approval at its annual meeting in August.
5. This application form must be completed in DUPLICATE and care must be taken to give the nominee's correct name clearly typed or printed the way it is to appear on the certificate.
