Team Managers: To schedule a practice, log in with your personal email and password.

Review the fields assigned to your age group and the master schedule on the CC United website for available dates and times before adding your practice.

- * Field start dates are determined by the city and are subject to change. You will be notified when TBD fields are open for scheduling.
- * Add your practice where there is space available at your age group's campus on your MYSA playing night(s).
- * Ensure that you are within the permit hours and dates for your campus; do not book on a date or time outside the permit.
- * Do not overlap 7pm on weeknights. Available practice times for the 5pm permit are 5-6:30pm or 5:30-7:00pm and 7-8:30pm.
Available practice times for the 7pm permit are 7-8:30pm or 7:30-9pm.
- * Choose the **campus** location and not the individual field location (i.e. CCH13-16 City Cntr Campus vs CCH 13 City Center).
- * For each age group, multiple teams can practice per field per practice time. The system will notify you when the maximum is reached.
- * Games (CC United or High School) take priority. If you show up and a game is taking place, use nearby green space until the field is available.
- * Please check the master schedule periodically as practices may need to be adjusted once game schedules are released.
- * Game closures will be communicated via Twitter.
